

WellMade Foundation

Everything we have — raw dump

June 5, 2026

What is it?

A nonprofit foundation building strong families through two frameworks: **WELL** and **MADE**. Filipino cultural roots. Goal: 1 million families.

Full name: **WellMade Foundation**

WELL stands for: **Wisdom Empowering Love & Leadership**

Tagline: "Building strong families through the WELL and MADE frameworks."

Vision: "Where every family has the tools to thrive across generations."

Part of **The Living Love Collective** alongside Dr. Jasmine's personal site and Pure Wellness Joy.

The WELL Framework

WELL is the philosophy. "A way of being." It calls each family member to lead with wisdom, nurture with love, and protect with intention. When a family operates in WELL, every decision, tradition, and conversation becomes part of something bigger than any one person.

How to start a WELL (3 steps)

- Gather Your Circle** — bring together people who share your values and vision for family legacy. This is your WELL circle.
- Commit to the Framework** — adopt WELL principles: wisdom, empowerment, love, leadership.
- Build Together** — use the tools, retreats, and community of WellMade to grow.

The MADE Framework

MADE is the *action arm*. Structured programs where parents and children grow together. Every MADE program is inclusive, culturally grounded, community-driven.

MADE stands for: **Mothers And Daughters Empowered / Moms And Dads Empowered**

The 4 MADE programs

MADE to Travel	Family travel experiences — cultural awareness, independence, shared memories across generations
MADE to Money	Financial literacy for the whole family — wealth-building habits, economic empowerment
MADE in the Bay	Bay Area workshops, circles, community events — local culture, family connection
MADE on Maui	Retreats and healing on Maui — connecting families to land, culture, and each other. Transformative.

Cultural Roots — Filipino heritage

The Sampaguita Promise

The **sampaguita** is the national flower of the Philippines. It symbolizes purity, devotion, and the strength of a promise kept. It's the "living emblem" of the WellMade Foundation.

Under MADE, cultural roots run through two pillars:

Sampaguita (the feminine)	Grace, nurturing, and the sacred bond of motherhood
Bayani (the masculine)	Strength, protection, and the warrior spirit of legacy

Membership — \$30 lifetime

\$30 — Lifetime Founding Family Membership

Your membership directly fuels the WELL and MADE frameworks. 100% of memberships go toward growing this ecosystem.

CTA: "Become a Founding Family" / "Claim Your Place"

The money — Financial Transparency Ledger

They're explicit about where money comes from:

PureWellnessJoy	10% of all proceeds	Goes directly to the foundation
WELL Proceeds	100%	All proceeds from WELL focus groups and hosted circles
Donations	Tax-deductible	Direct contributions from individuals and families

All 8 programs

Moms & Dads Empowered	Resources and community for parents building strong, intentional families
Community Fundraisers	Community-driven fundraising — bringing people together for shared purpose
Safety Circles	Protective community spaces — support, resources, belonging
Youth Development	Youth leadership programs — nurturing the next generation
Family Pentathlon	Annual family athletic tournament — health, teamwork, friendly competition
Sampaguita Sunday Gala	Annual scholarship gala each May — celebrating culture, investing in futures
Mabuhay Monday Awards	Community leadership awards — recognizing the WellMade spirit

Anti-Trafficking Shield

"Every family deserves protection. The Shield exists to ensure that protection is real, funded, and relentless."

Emergency sanctuary, legal infrastructure, protective rescue initiatives for vulnerable families and individuals.

Has its own CTA: "Support the Shield" / "Pledge Support"

Bloom Circle

The "living registry" of every household that has joined the WellMade family. A digital tapestry. Families commit to: Wisdom, Love, Legacy, Culture, Unity, Shield.

Currently just a concept on the page — no actual registry built.

Seasonal Programming

Spring	New beginnings. Enrollment opens, WELL circles launch, families plant seeds for the year.
Summer	Travel, retreats, gatherings. MADE to Travel and MADE on Maui come alive.
Fall	Harvest wisdom. Financial literacy intensives, cultural celebrations, family storytelling.
Winter	Rest and reflection. Legacy planning, year-end giving, grounding rituals.

1 Million Families

There's a counter on the site: **0 of 1,000,000 families**. Big audacious goal. Currently at zero.

What's missing / what we need

- 1M families counter stuck at 0 — needs real data or soft launch
- \$30 membership payment not wired up — just a button
- Contact form doesn't go anywhere

- Shield pledge not functional
- Bloom Circle registry doesn't exist
- No actual events/dates for MADE programs
- Footer links may be dead (Wellness Blog, About Us, Our Team)
- 1.6MB page is heavy — images should be external files
- Not mobile responsive
- No meta tags / Open Graph / favicon
- 3 hero options sitting there unused — only option1 is live
